

Bringing it all together

Will Kemp

Local Government
Yorkshire and
Humber

Summary

- Transport: Good data, engagement and progress
- Green: good data, and progress; need to identify strategic interventions?
Physical: Mixed data and engagement: need to focus on data, programmes and capacity
- Social: Mixed data and engagement: need to identify strategic SI
- General: Need to present sub – regional pictures?

Future Work/ Next Steps

- Refine PAS table
- Identify STRATEGIC Infrastructure on GIS
- Identify COMPOSITE maps at a sub-regional level?
- Assets capacity wherever we can, but make limitations EXPLICIT where we cannot
- Practice strategic interventions (e.g. GI)
- Revise with programme (to March 2010)
- Get infrastructure component 'live' on website, July
