Dear Phil

Planning Application Number: DC/584/09/IMM

Redevelopment and refurbishment of the Kennedy Way District Centre, Immingham, for a food store (A1), retail units (A1), provide new shop fronts to existing units, change of use to financial and professional services (A2) of 17-19 Kennedy Way, associated access, parking, hard and soft landscaping and associated works

Thank you for consulting the Regional Planning Body (RPB) on the above application. On this occasion the RPB will not be forwarding any detailed comments. Overall, the RPB is encouraged to see the redevelopment and refurbishment of the Kennedy Way district centre as this will help Immingham to fulfil its role as a local service centre.

If you have any queries on the types of applications the RPB wishes to comment on, please do not hesitate to contact me.

Yours sincerely
